

## ATTN: [Human Behavior and Evolution Society \(HBES\) Members](#)

Dear Member,

HBES members must follow this one-time process to activate their online subscriptions at ScienceDirect.

NOTE: you will need your HBES membership number to activate your subscriptions

### Step 1: Provide a membership identifier to validate your online subscription

Go to <https://www.sciencedirect.com/science/activate/hbes>

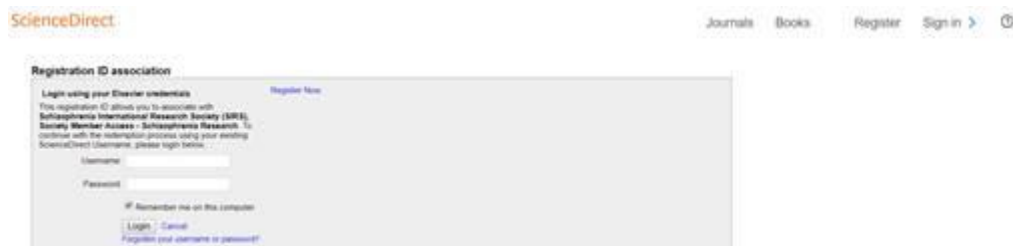

Enter your membership number and click Continue

The screenshot shows the ScienceDirect website's "Activation Code redemption" page. At the top, there are navigation links for "Journals", "Books", "Register", and "Sign in". The main heading is "Activation Code redemption". Below this, there is a text box for "HBES Membership Number" and a "Continue" button. A small note at the bottom of the form asks if the user needs assistance and provides a link to "Social Subscription Support".

### Step 2: Connect your membership identifier to a personal login

If you have previously registered with Elsevier, enter your username + password to Login

If you are a new user, click [Register Now](#) and complete a brief registration form

The screenshot shows the ScienceDirect website's "Registration ID association" page. It has the same navigation links as the previous page. The main heading is "Registration ID association". Below this, there is a "Login using your Elsevier credentials" section with a "Register Now" link. The login section includes fields for "Username" and "Password", a "Remember me on this computer" checkbox, and "Login" and "Cancel" buttons. A link for "Forgot your username or password?" is also present.

Once login/registration is complete, you will return to the ScienceDirect homepage and can use the Journal title search box to access your subscription

The screenshot shows the ScienceDirect homepage. At the top, there are navigation links for "Journals & Books", "test user", and a search icon. Below this is a search bar with the text "Search for peer-reviewed journals, articles, book chapters and open access content...". The search bar has several input fields: "Keywords", "Author name", "Journal/book title", "Volume", "Issue", and "Pages". There is also an "Advanced search" link and a search icon.
